

WHERE OH WHERE ARE YOU TONIGHT

Down here on the farm the weather gets messy
Laying around with nothin' to do
When you went away, you took my cow Bessie
I miss her darling, more than I miss you

You took off your leg, your wig and your eye glass
And you should've seen the look on my face
I wanted to kiss, I wanted to hug you
But you were scattered all over the place

Where, where, are you tonight?
Why did you leave me here all alone?
I searched the world over,
And thought I found true love
You met another and
Phht! you were gone

The noises you made at our supper table
Your habits, my dear, were surely absurd
But how many times do I have to tell you
Soup is a dish to be seen and not heard

CHORUS

Remember you phoned me a-sobbin' and cryin'
The dog bit your maw, and drug her around
You said she looked pale and thought she was dying
I said "Don't worry, I'll buy a new hound"

CHORUS
