

EVERY ROSE HAS IT'S THORN

We both lie silently still in the dead of the night
Although we both lie close together we feel miles apart inside
Was it something I said or something I did?
Did my words not come out right?
Though I tried not to hurt you
Though I tried
But I guess that's why they say

Every rose has its thorn
Just like every night has its dawn
Just like every cowboy sings his sad, sad song
Every rose has its thorn (Yeah it does)

I listen to our favorite song playing on the radio
Hear the DJ say love's a game of easy come and easy go
But I wonder does he know?
Has he ever felt like this?
And I know that you'd be here right now
If I could have let you know somehow I guess

CHORUS

Though it's been a while now
I can still feel so much pain
Like a knife that cuts you the wound heals
But the scar, that scar remains

I know I could have saved a love that night if I'd known what to say
Instead of makin' love we both made our separate ways
And now I hear you found somebody new
And that I never meant that much to you
To hear that tears me up inside
And to see you cuts me like a knife
I guess

CHORUS
