

SHE TALKS TO ANGELS

She never mentions the word addiction
In certain company
Yes, she'll tell you she's an orphan
After you meet her family

She paints her eyes as black as night now
Pulls those shades down tight
Yeah, she gives me a smile when the pain comes
The pain gonna make everything alright

Says she talks to angels
They call her out by her name
Oh yeah, she talks to angels
Says they call her out by her name

She keeps a lock of hair in her pocket
She wears a cross around her neck
Yes the hair is from a little boy,
And the cross from someone she has not met, well, not yet

CHORUS

She don't know no lover,
None that I ever seen
Yeah, to her that ain't nothing
But to me it means, means everything

She paints her eyes as black as night now
Pulls those shades down tight
Oh yeah there's a smile when the pain comes
Pain's gonna make everything alright, alright yeah

CHORUS
